

# Avicii - Waiting For Love

Tom: A  
Intro: Gbm Dbm D D E Gbm (2x)

Where there's a will, there's a way, kinda beautiful  
And every night has its day, so magical  
And if there's love in this life, there's no obstacle  
That can't be defeated

For every tyrant a tear for the vulnerable  
In every lost soul the bones of a miracle  
For every dreamer a dream we're unstoppable  
With something to believe in

Monday left me broken, Tuesday I was through with hoping  
Wednesday my empty arms were open  
Thursday waiting for love, waiting for love  
Thank the stars it's Friday I'm burning like a fire gone wild  
on Saturday

Guess I won't be coming to church on Sunday  
I'll be waiting for love, waiting for love  
To come around

We are one of a kind irreplaceable  
How did I get so blind and so cynical  
If there's love in this life we're unstoppable  
No we can't be defeated
