

Avriel & The Sequoias - Sage And Stone

Tom: E

B **Gbm** **E**
 It's a place where we used to go
B **Gbm** **E**
 With arrowheads and an eagle
B **Gbm** **E**
 Winter sky painted indigo
B **Gbm** **E**
 Where we all go roamin' the sage and stone

B **Gb** **E**
 And I
B **Gb** **E**
 Will take you in time
B **Gb** **E**
 And I
B **Gb** **E**
 Will take you in time

B
 Feel it underneath
Gbm **E**
 You were never meant to leave

B
 Like the autumn breeze
Gbm **E**
 You will blow to the sea
B
 You feel the light
Gbm **E**
 Your body's never old
B
 You are alive
Gbm **E**
 When the mountains soothe your soul

B **Gb** **E**
 And I
B **Gb** **E**
 Will take you in time
B **Gb** **E**
 And I
B **Gb** **E**
 Will take you in time
