Tom: C

<sup>G</sup>  
Tripping out

Spinning around

I'm underground

<sup>F</sup>  
I fall down

<sup>G</sup>  
Yeah, I fall down

<sup>G</sup>  
I'm freaking out

So where am I now?

Upside down

<sup>F</sup>  
And I can't stop it now

<sup>G</sup>  
It can't stop me now

<sup>G C Am G F</sup>  
Ohhh... I...I'get by

<sup>C Am G F</sup>  
I... I'survive

<sup>C Am</sup>  
When the world's crashing down

<sup>G</sup>  
When I fall and hit the ground

I'll turn myself around

Don't you try to stop me

<sup>C Am G Dm</sup>  
I... I won't cry

<sup>Dm Am C G</sup>  
I found myself in wonderland

<sup>Dm Am C G</sup>  
Get back on my feet again

<sup>Dm Am C G</sup>  
Is this real? Is it pretend?

<sup>Dm Am C G</sup>  
I'take a stand until the end

<sup>C Am G F</sup>  
I...I'get by

<sup>C Am G F</sup>  
I... I'survive

<sup>C Am</sup>  
When the world's crashing down

<sup>G</sup>  
When I finally hit the ground

I'll turn myself around

Don't you try to stop me

<sup>C Am G F</sup>  
I... I won't cry

<sup>C Am G</sup>  
I...I'get by

<sup>C Am G</sup>  
I... I'survive

<sup>C Am</sup>  
When the world's crashing down

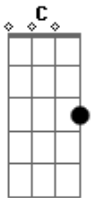

<sup>G</sup>  
When I finally hit the ground

I'll turn myself around

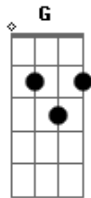

Don't you try to stop me

<sup>C Am G Dm</sup>  
I... and I won't cry
