

# Avril Lavigne - Alone

Tom: C  
Intro: A -- D

Guitar 2:

A D  
Oh Oh Oh Oh Oh (x2)

Verse 1:

A Hey man Tell me what were you thinking?  
What the hell were you saying? Oh come on now

F G  
Stop and think about it

A Hey now Maybe you should just listen  
Maybe you should stop talking for a second

F G (break)  
Shut up Listen to me

Chorus:

Em You're so obvious You're so oblivious  
Em And now you wonder why you're the one alone  
Em So don't apologize And you don't even realize  
Em you screwed it up this time Now you're the one alone

Post Chorus:

Guitar 2:

A D

Oh Oh Oh Oh Oh (x2)

Bass Riff:

Verse 2:

A Hey bro I'm just trying to let you know  
You really think that you're special  
Oh come on now

F G  
I've seen so much better

A Hey there Did you actually think that I cared?  
Don't know if you want to go there  
Oh come on now

F G (break)  
Keep on, keep on dreaming

(Repeat Chorus)

Bridge:

Em If you, want to, be my uh uh oh  
Em You know, you can't, play games And you know what I mean  
Em I'm sorry but you don't get my my uh uh oh  
Em I'm gone, you're still dreaming about me  
Over and over and over and over again

Guitar 2: x means malm mute

(Repeat Chorus twice and post chorus)
