[Verso 1]

Yeah you could show up at my front door  
 On a white horse I'll be ready  
 We can jump out of an airplane  
 We can fall like we're confetti  
 Just like kites unafraid of those heights

[Verso 2]

We could sail across the ocean  
 Winter summer any season  
 You can kiss me on the mountain top  
 Don't ask me for a reason  
 Just like kites unafraid of those heights  
 No cause sooner or later

[Refrão 1]

I just want a bigger wow  
 I'm not complaining  
 If you throw me up I won't come down  
 Just say you waiting for me  
 I'll meet you in the clouds  
 I just want a bigger wow  
 Bi-bi-bi-bi-bigger (wow)  
 Na na na na na na  
 Na na na na na na  
 Bi-bi-bi-bi-bigger (wow)

[Verso 3]

Quit denying stop pretending  
 Just admit it that you love it  
 We can light up all of Vegas

And we never will unplug it oh  
 Tonight unafraid of those heights  
 No cause sooner or later

[Refrão 2]

I just want a bigger wow  
 I'm not complaining  
 If you throw me up I won't come down  
 Just say you waiting for me  
 I'll meet you in the clouds  
 I just want a bigger wow  
 Bi-bi-bi-bi-bigger (wow)  
 Na na na na na na  
 Na na na na na na

[Ponte]

You can tell me all the reasons  
 Why we shouldn't be together  
 And spin me until I fall down  
 Say that this will last forever

Come on now

[Refrão 3]

I just want a bigger wow  
 I'm not complaining  
 If you throw me up I won't come down  
 Just say you waiting for me  
 I'll meet you in the clouds  
 I just want a bigger wow  
 Bi-bi-bi-bi-bigger (wow)  
 Na na na na na na  
 Na na na na na na  
 Bi-bi-bi-bi-bigger (wow)  
 Na na na na na na  
 Na na na na na na  
 Bi-bi-bi-bi-bigger (wow)
