```

(verse)

```

Am      G
Grew up in a small town
C      F
And when the rain would fall down
Am      G      F
I'd just stare out my window
Am      G
Dreaming of what could be
C      F
And if I'd end up happy
Am G      F
I would pray
  
```

```

Am      G
Trying hard to reach out
C      F
But when I tried to speak out
Am      G      F
Felt like no one could hear me
Am      G
Wanted to belong here
C      F
But something felt so wrong here
Am G      F
So I'd pray
Am      G      D F      G
I could break away
  
```

(chorus)

```

C      G
I'll spread my wings and I'll learn how to fly.
Am      F
I'll do what it takes till I touch the sky.
C
Make a wish, take a chance,
G      Am      G F
Make a change, and break away.
C      G
Out of the darkness and into the sun.
Am      F
But I won't forget all the ones that I love.
C
I'll take a risk, take a chance,
G      Am      G F
Make a change, and break away
  
```

(intro 2x)

(verse)

```

Am      G
Wanna feel the warm breeze
C      F
Sleep under a palm tree
Am      G      F
Feel the rush of the ocean
Am      G
Get onboard a fast train
C      F
Travel on a jetplane
Am G F
Far away
Am      G D F      G
And break away
  
```

(chorus)

```

C      G
I'll spread my wings and I'll learn how to fly.
Am      F
I'll do what it takes till I touch the sky.
C
Make a wish, take a chance,
G      Am      G F
Make a change, and break away.
C      G
Out of the darkness and into the sun.
Am      F
But I won't forget all the ones that I love.
C
I'll take a risk, take a chance,
G      Am      G F
Make a change, and break away
  
```

(bridge)

```

G
Buildings with a hundred floors
C      F
Swinging with revolving doors
G      C      F
Maybe I don't know where they'll take me
G      C      F
Gotta keep movin on movin on
D
Fly away
F      G
Break away
  
```

(chorus)

```

C      G
I'll spread my wings and I'll learn how to fly.
Am      F
Though it's not easy to tell you goodbye
C
Make a wish, take a chance,
G      Am      G F
Make a change, and break away.
C      G
Out of the darkness and into the sun.
Am      F
But I won't forget the place I come from
C
I gotta take a risk, take a chance,
G      Am      G F
Make a change, and break away
Am      G F
Break away
Am      G F
Break away
  
```
