

# Avril Lavigne - Give You What You Like

Tom: **Ab**  
 Intro: (Pode ser usado para versão acústica durante esse dedilhado os acordes **Fm Eb Bbm Db Eb** )

(Repete o dedilhado durante as estrofes)

Please, wrap your drunken arms around me  
 And I'll let you call me yours tonight  
 'Cuz slightly broken is just what I need  
 And if you give me what I want  
 Then I'll give you what you like

Please, tell me I'm your one and only  
 Or lie, and say at least tonight  
 I've got a brand new cure for lonely  
 And if you give me what I want  
 Then I'll give you what you like

**Bbm** **Db**  
 When you turn off the lights

**Ab**  
 I get stars in my eyes  
 Is this love?  
**Eb** **Bbm**  
 Maybe someday

**Db**  
 So, don't turn on the lights  
 I'll give you what you like

Emotions aren't that hard to borrow  
 When love's the word you've never learned  
 And in a room of empty bottles  
 If you don't give me what I want  
 Then you'll get what you deserve

**Bbm** **Db**  
 When you turn off the lights

**Ab**  
 I get stars in my eyes  
 Is this love?  
**Eb** **Bbm**  
 Maybe someday  
**Db**  
 I've got the scene in my head  
**Ab**  
 I'm not sure how it ends  
 Is it love?  
**Eb**  
 Maybe one day  
**Db**  
 So, don't turn on the lights  
 I'll give you what you like

I'll give you one last chance to hold me  
 If you give me one last cigarette  
 By now, it's early in the morning  
 Now that I gave you what you want  
 All I want is to forget

**Bbm** **Db**  
 When you turn off the lights

**Ab**  
 I get stars in my eyes  
 Is this love?  
**Eb** **Bbm**  
 Maybe someday

**Db**  
 I've got the scene in my head  
**Ab**  
 I'm not sure how it ends  
 Is it love?  
**Eb**  
 Maybe one day

**Db**  
 So, don't turn on the lights  
 I'll give you what you like
