

# Avril Lavigne - Here's To Never Growing Up

Tom: F

**F C Dm Bb**  
Singing radiohead at the top of our lungs  
When the boombox's playing as we're falling in love

**F C Dm Bb**  
gotta a bottle of whatever  
but it's getting us drunk  
Singing here's to never growing

**F Dm Bb**  
We call up all our friends  
go hard this weekend  
**F Dm Bb**  
for no damn reason  
And I don't think we'll ever change

**F Dm Bb**  
meet you at the spot  
half past ten o'clock  
**F Dm Bb**  
we don't ever stop  
And we're never gonna change

**Gm Bb**  
Say, I'll just say forever Stay  
**Gm Bb**  
If you stay forever, hey  
**Gm Bb**  
we can stay forever young

**F C Dm Bb**  
Singing radiohead at the top of our lungs  
With the boombox playing as we're falling in love

**F C Dm Bb**  
gotta a bottle of whatever  
but it's getting us drunk  
Singing here's to never growing  
**F C Dm Bb**  
When we're running down the street  
yellin' kiss my  
I'm like yeah whatever we're still living like that

**F C Dm Bb**  
when the sun's going down  
we'll be raising up top  
singing here's to never growing up  
**F C Dm Bb**  
oh oh, oh oh (here's to never growing up)  
**F C Dm Bb**  
oh oh, oh oh (here's to never growing up)

**F Dm Bb**  
We live like rockstars  
dance on every bar  
**F Dm Bb**  
this is who we are

And I don't think we'll ever change  
**F Dm Bb**  
They say just grow up  
but they don't know us  
**F Dm Bb**  
we don't give a fuck  
and we're never gonna change

**Gm Bb**  
Say, I'll just say forever Stay  
**Gm Bb**  
If you stay forever, hey  
**Gm Bb**  
we can stay forever young

**F C Dm Bb**

when the sun's going down  
we'll be raising up top
