So much for my happy ending

Let's talk this over

It's not like we're dead
Was it something I did?

Was it something You said?

Don't leave me hanging

In a city so dead
held up so high

On such a breakable thread

You were all the things I thought I knew

And I thought we could be

(Distorção)

You were everything, everything that I wanted

We were meant to be, supposed to be, but we lost it

ALL of the memories, so close to me, just fade away

All this time you were pretending

So much for my happy ending

(Riff)

Bm G D A

Bm G D A
oh oh, oh oh, oh oh, oh oh...

You've got your dumb friends

I know what they say

They tell you I'm difficult

But so are they

But they don't know me

Do they even know you?

All the things you hide from me

All the shit that you do

You were all the things I thought I knew

And I thought we could be

(Distorção)

You were everything, everything that I wanted

We were meant to be, supposed to be, but we lost it

ALL of the memories, so close to me, just fade away

All this time you were pretending

So much for my happy ending

It's nice to know that you were there

Thanks for acting like you cared

And making me feel like I was the only one

It's nice to know we had it all

Thanks for watching as I fall

And letting me know we were done

He was everything, everything that I wanted

(Distorção)

We were meant to be, supposed to be, but we lost it

ALL OF the memories, so close to me, just fade away

All this time you were pretending

So much for my happy ending

You were everything, everything that I wanted

We were meant to be, supposed to be, but we lost it

ALL of the memories, so close to me, just fade away

All this time you were pretending

So much for my happy ending
