Opening Riff

Step up... Step up...

Fall back, take a look at me and you'll see

I'm for real, I'll feel what only I can feel and if that don't appeal to ya

Let me know, and I'll go, cause I flow better when my colours show

And that's the way it has to be, honestly

Cause creativity could never bloom in my room, I'd throw it all away before I lie

So don't call me with the compromise, hang up the phone, I got a backbone

Stronger than yours

La la la la la la

La la la la la la

La la la la la la

Yeah yeah yeah yeah...

If you're trying to turn me into someone else

It's easy to see I'm not down with that

I'm not nobody's fool

If you're trying to turn me into something else

I've seen it enough that I'm over that

I'm not nobody's fool

If you want to bring me down

Go ahead and try, go ahead and try

You don't know you think you know me like yourself

But I fear that you're only telling me what I wanna hear

But do you give a damn, understand that I can't not be what I am

I'm not the milk and cheerios in your spoon

Dbm

It's not as simple here we go not so soon, I might have fallen for that

When I was 14 and a little more green

But it's amazing what a couple of years can mean

Ohhhhhhh

Yeah yeah

Yeah yeah yeah

If you're trying to turn me into someone else

It's easy to see I'm not down with that

I'm not nobody's fool

If you're trying to turn me into something else

I've seen it enough that I'm over that

I'm not nobody's fool

If you want to bring me down

Go ahead and try, go ahead and try

Ohhhhhhh

Go ahead and try, try to look me in the eye

But you'll never see inside, until you realize

Things are trying to settle down

Just trying to figure out

Exactly what I'm about

If it's with or without you, I don't need your doubt in me

If you're trying to turn me into someone else

It's easy to see I'm not down with that

I'm not nobody's fool

If you're trying to turn me into something else

I've seen it enough that I'm over that

I'm not nobody's fool

If you want to bring me down

Go ahead and try, try

Yeah yeah, yeah yeah, ohhhhh

But you'll be laughing out loud, if I played to my own crowd

Try

Go ahead and try

Acordes
