

Avril Lavigne - Not The Only One

```
Intro: Gbm - Db - D - Db (x2)
Verse 1:
  He'd already asked for my number
               Db
when will he call, I wonder
  I'd give it away on a Friday
                        Db
I haven't heard a friggin' now it's Wednesday
        Db
 I don't know what he's thinking,
he can leave me alone and I'll be waiting
Gbm Db
I don't think so
     D
there's other fish in the sea
        Db
who would love to swim with me
Chorus:
             E D E
You're not the only one out there for me, and I know,
                 D E
                                       A E D E
           F
you're not the only one who's gonna be for me (for me)
 There's other fishes in the sea
               Db
 there's other fishes in the sea
Verse 2:
  You finally called and I'm not home
```

```
don't even bother at all
   can't remember what he looks like
                Db
it's been 14 days, that's not my type
Gbm Db
  I know they're not all like that
  there's gotta be some that don't think they're all that
  yes I know so,
     D
there's other fish in the sea
        Db
who would love to swim with me
(Repeat Chorus)
(Repeat Post Chorus Twice)
(Repeat Chorus)
Outro:
             F
You're not the only one
there's other fishes in the sea
             F D
you're not the only one
there's other fishes in the sea
          E D
you're not the only one
there's other fishes in the sea
             E D
you're not the only one
                          A (Hold)
            F
there's other fishes in the sea
