

Avril Lavigne - Scientist

Tom: C

(intro) Am F C G

(verse 1)

Am F C
Come up to meet you, tell you I 'm sorry

You don 't know how lovely you are

Am F C
I had to find you, tell you I need you

Tell you I set you apart

Am F C
Tell me your secrets, and ask me your questions

Oh let 's go back to the start

Am F C
Running in circles, coming up tails

Heads on a science apart

(chorus 1)

F C
Nobody said it was easy

It 's such a shame for us to part

F C
Nobody said it was easy

No one ever said that it would be this hard

G7 (hold)
Oh take me back to the start

(interlude) Am F C G

(verse 2)

Am F C
I was just guessing at numbers and figures

Pulling the puzzles apart

Am F C
Questions of science, science and progress

Don 't speak as loud as my heart

Am F C
Tell me you love me, come back and haunt me

Oh and I rush to the start

Am F C
Running in circles, chasing our tails

Coming back as we are

(chorus 2)

F C
Nobody said it was easy

It 's such a shame for us to part

F C
Nobody said it was easy

No one ever said that it would be this hard

G7 (hold)
I 'm going back to the start

(outro) C F C G (4x)

Ohh--Ohh
