

# Avril Lavigne - Sippin? On Sunshine

Tom: G

[INTRODUÇÃO]

G| - C - Em - D

Boy, you get me so high  
 I'm buzzin' like a bee hive  
 It's just a little kiss, but when it hits my lips, I'm sippin' on sunshine

Boy you lookin' so fly  
 Hotter than July  
 Now I just wanna stay, forever and a day, sippin' on sunshine  
 Down at the beach, you're holdin' my hand  
 Got an umbrella stuck in the sand  
 Watchin' the waves crash into the shore  
 Baby I want some more

Hey (Hey!) What a beautiful day (Day!)  
 All I need is a taste (Hey!)  
 Nothin' but a good time, sippin' on sunshine  
 Oh (oh!) Don't got nowhere to go (Go!)  
 So we'll go with the flow (Flow!)  
 Yeah, were livin' the life, sippin' on sunshine  
 Sippin' on sunshine

Boy you blowing my mind, you got me up on cloud  
 Just a little taste, I wouldn't wanna waste a sip of that sunshine  
 We can kick it all night, underneath the moonlight

But when the party ends, we'll do it all again, sippin' on sunshine

Down at the beach, you're holdin' my hand  
 Got an umbrella stuck in the sand  
 Watchin' the waves crash into the shore  
 Baby I want some more

Hey (Hey!) What a beautiful day (Day!)  
 All I need is a taste (Hey!)  
 Nothin' but a good time, sippin' on sunshine  
 Oh (oh!) Don't got nowhere to go (Go!)  
 So we'll go with the flow (Flow!)  
 Yeah, were livin' the life, sippin' on sunshine
