

# Avril Lavigne - The Best Years Of Our Lives (feat. Evan Taubenfeld)

Tom: D

**D G Bm G**  
Oh oh ooh Oh Oh ooh...

**D** We had the best years of our lives,  
**Bm** But you and I would never be the same,  
**D** September took me by surprise,  
**Bm** And I was left to watch the seasons change.

**D G Bm G**  
Oh oh oo Oh Oh oo...

[Avril Lavigne]  
**D** It's been so quiet since you're gone,  
**Bm** And everyday feels more like a year  
**D** Sometimes I wish I could move on,  
**Bm** The memories would all just disappear.

[Evan T]  
**A** So many things I should've  
**Bm** Said when I had the chance,  
**A** So many times we took it all for granted.

[Chorus - Evan T & Avril Lavigne]  
**D** I'd never thought this could ever end,  
**G** I'd never thought I'd lose my best friend,  
**Bm** Everything is different now,  
**G** Can we stop the world from turning?  
**D** I'd never thought I'd have to let you go,  
**G** I'd Never thought I'd ever feel this low,  
**Bm** I Wish I could go back,  
**G** And we'd stop the world from turning.

**D G Bm**  
Oh oh ooh Oh Oh ooh...

**D** Looking back on better days,  
**Bm** When we were young, we thought we knew so much.  
**D** And now it seems so far away,  
**Bm** I'm wondering If I was good enough.

**A**
