It's a forgone conclusion, you're love's an illusion
 and the picture is starting to fade
 boy let's be honest, when it comes to your promise
 it's just a lot of empty words you say

Refrain 1: (Not sure for these chords)

and the future's only gonna be more of the same
 you've only got yourself to blame

Chorus:

Tomorrow you didn't, yesterday you won't

coz I know everything you say you gonna do you don't
 that's a given, it doesn't matter anyway, hey
 I know what love wasn't, I know what love isn't
 so when you say you're gonna change you gotta be kidding yeah
 tomorrow you didn't,
 hey hey, I'm outta here today

baby this is all for your own good,
 I'm leaving 'cause I know you never would

(Repeat Chorus)

 it always turns out the same way
 your predictions are fiction
