

Avril Lavigne - Too Much to Ask

Tom: G

Afinação Standard (EADGBE)

Opening Riff

It's the first time I ever felt this lonely
 Wish someone would cure this pain
 It's funny when you think it's gonna work out
 Till you chose weed over me you're so lame

I thought you were cool until the point
 Up until the point you didn't call me when you said you would
 Finally figured out you're all the same
 Always coming up with some kind of story

Everytime I try to make you smile
 You're always feelin' sorry for yourself
 Everytime I try to make you laugh
 You can't you're too tough
 You think you're loveless
 Is that too much that I'm askin' for?

Thought you'd come around when I ignored you
 So I thought you'd have the decency to change
 But babe I guess you didn't take that warning
 Cause I'm not about to look at your face again

Can't you see that you lie to yourself

You can't see the world through a mirror
 It won't be too late when the smoke clears
 Cause I, I am still here

But everytime I try to make you smile
 You'd always go off feelin' sorry for yourself
 Everytime I try to make you laugh
 You stand like a stone

Alone in your zone
 Is that too much that I'm asking for?

Yeah yeah, yeah yeah
 Can't find where I am, a lying here alone I fear
 Afraid of the dark, no one to claim, alone again
 Yeah yeah yeah yeah

Can't you see that you lie to yourself
 You can't see the world through a mirror
 It won't be too late when the smoke clears
 Cause I, I am still here

But everytime I try to make you smile
 You're always feelin' sorry for yourself
 Everytime I try to make you laugh
 You can't you're too tough
 You think you're loveless
 It was too much that I'm ask him for
