

Avril Lavigne - Too Much to Ask

Tom: E

m [Intro] A C A C D

It's the first time I ever felt this lonely
 I wish someone could cure this pain
 It's funny when you think its gonna work out
 Until you chose weed over me you're so lame
 I thought you were cool until the point
 But up until the point you didn't call me when you said you would
 I finally figured out you're all the same
 Always coming up with some kind of story

And Every time I try to make you smile
 You're always feeling sorry for yourself
 And Every time I try to make you
 laugh You can't you're too tough
 You think you're loveless
 Is that too much that I'm asking for?
 la la la la la

I thought you'd come around when I ignored you
 So I thought you'd have the decency to change
 But babe I guess you didn't take that warning
 Cause I'm not about to look at your face again

Can't you see that you lie to yourself
 You can't see the world through a mirror

It won't be too late when the smoke clears
 Cause I I am still here yeaah

But every time I try to make you smile
 You're always feeling sorry for yourself
 And Every time I try to make you
 laugh You stand like a stone

Alone in your zone
 Is it too much that I'm asking for?

Yeah yeah yeah yeah

Can't find where
 I am Lying here alone I fear

Afraid of the dark
 No one to claim Alone again yeah yeah yeah yeaahh

Can't you see that you lie to yourself
 You can't see the world through a mirror
 It won't be too late when the smoke clears
 Cause I I am still here yeah yeaahh

And Every time I try to make you smile
 You're always feeling sorry for yourself
 Every time I try to make you
 laugh You can't you're too tough

You think you're loveless
 Is that too much that I'm asking for?
 la la la la la yeah yeah
