

# Axel Flóvent - Your Ghost

tom:

Intro: Bm Gbm G  
 Bm Gbm E  
 Bm Gbm E  
 Bm Gbm E

[Primeira Parte]

D Gbm E  
 You've been looking for a house to hide your mind in  
 D Gbm E  
 The earth keeps spinning your ideas south  
 D Gbm E  
 Your head's been full of thoughts for way too long now  
 D Gbm E  
 I wish I could help you some-how

( Bm Gbm E )  
 ( Bm Gbm E )

[Refrão]

Bm D Gbm  
 E  
 Things start falling off the ground, your ghost will fight  
 what you have found  
 Bm D Gbm  
 E  
 While lying in the sand your thoughts will run straight  
 through the ground  
 Bm D Gbm  
 E  
 Makes you wonder if your thoughts are trying to accomplish so  
 much more

Bm D Gbm E  
 That you always over-thinking everything traps you in-side  
 ( Bm Gbm E )  
 ( Bm Gbm E )

[Segunda Parte]

D Gbm E  
 The stars shining down are more than (now?)  
 D Gbm E  
 And beauty in the night strikes you (down?)  
 D Gbm E  
 I tried holding onto your thoughts closely  
 D Gbm E  
 But nothing holds better nights
