

B52 - Private Idaho

E tom:

You're living in your own Private Idaho
 A B
 You're living in your own Private Idaho

You're living in your own Private Idaho
 Living in your own Private Idaho
 Underground like a wild potato
 Don't go on the patio
 Beware of the pool
 Blue bottomless pool
 It leads you straight
 Right through the gate
 That opens on the pool

You're livin in your own Private Idaho. Idaho
 You're out of control, the rivers that roll
 You fell into the water and down to Idaho
 Get out of that state
 Get out of that state you're in
 You better beware
