

Babado Novo - Banho de Chuva

Tom: C

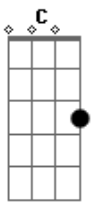

Volta, me inspira, me ensina a ser sua mulher
 Pensei que fosse fácil viver sem você
 Mas quando o amor acontece
 A gente logo se entrega
 Fica boba, distraída, até esquece das amigas
 difícil controlar o coração
 Na verdade tô com saudade, volta pra mim

Molhadinho num banho de chuva | 2x

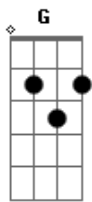

É que o seu amor
 É de arrepiar
 Pra sempre, amor
 Eu vou te amar

OBS: Essa cifra pode ser tocada em 2 tons diferentes, que fica bem legais. Nesta original e um tom acima. Obrigada!
