

Baby do Brasil - Brasileirinho

Tom: A

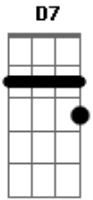

A D7
 O brasileiro quando é de choro é entusiasmado
 Quando cai no samba, não fica abafado
 E é um desacato quando chega no salão
 Não há quem possa resistir quando o chorinho brasileiro faz sentir
 Ainda mais de cavaquinho com um pandeiro
 E o violão na marcação
 Brasileirinho chegou a todos encantou fez todo mundo a dançar

A noite inteira, no terreiro, até o sol raiar
 Quando o baile terminou a turma não se conformou
 Brasileirinho abafou
 Até o velho que já estava encostado nesse dia se acabou
 Pra falar a verdade estava conversando com alguém
 de respeito, e ao ouvir, o grande choro, eu meti os peitos
 Deixei o camarada falando sozinho, cantei, pulei, dancei, brinquei
 Até me acabei e nunca mais esquecerei o tal chorinho brasileiro
