Sitting by the window
all day thining of you
Watching the days go by, I started to cry
But they weren't tears of sadness
they only meant I love you
And I wanna tell you girl that I, oh, I

Chorus:
I'll travel 'round the seven seas for you
It's written in the melody I adore you
I wrote my love a symphony
To show you there's nothing I won't do
Baby I'll walk around the China Wall
for you
If there's a way I'll do it all for you
Anything you want me to, you know
I would do

People think I'm crazy, they say
I'm just a nothing
Letting my life pass me by
believing you're with me
Well I can't speak for no one
but in my heart I know you love me
And that's why I'll always tell you I
oh I, oh I, oh I

Chorus
Do do do do do do
Do do do do do do do do do
Do do do do do do
Chorus

Acordes
