Sitting by the window  
 all day thining of you  
 Watching the days go by, I started to cry  
 But they weren't tears of sadness  
 they only meant I love you  
 And I wanna tell you girl that I, oh, I

Chorus:  
 I'll travel 'round the seven seas for you  
 It's written in the melody I adore you  
 I wrote my love a symphony  
 To show you there's nothing I won't do  
 Baby I'll walk around the China Wall  
 for you  
 If there's a way I'll do it all for you  
 Anything you want me to, you know  
 I would do

People think I'm crazy, they say  
 I'm just a nothing  
 Letting my life pass me by  
 believing you're with me  
 Well I can't speak for no one  
 but in my heart I know you love me  
 And that's why I'll always tell you I  
 oh I, oh I, oh I

Chorus  
 Do do do do do do  
 Do do do do do do do do do  
 Do do do do do do  
 Chorus

## Acordes
