Tom: E

E A2
 Please come to Boston for the springtime

E A2
 I'm stayin' here with some friends and they've got lots of room

B A2 E
 You can sell your paintings on the sidewalk

Dbm B A2
 By a cafe where I hope to be workin' soon

E
 Please come to Boston

B A2 E
 She said no, boy you come home to me

(chorus)

E B E
 Hey ramblin' boy why don't you settle down

E B E
 Boston ain't your kind of town

E A2
 There ain't no gold and there ain't nobody like me

B A2

I'm the number one fan of the man from Tennessee

(interlude chords) E A2 E A2 E

Dbm B
 Now that drifter's world goes round and round

A2 E
 And I doubt if it's ever gonna stop

Dbm B
 But of all the dreams I've lost or found

A2
 And all that I ain't got

E B
 I need somebody I can cling to somebody I can sing to

Please come to Denver where the snow falls
 We'll move up into the mountains so high that we can't be found
 Through "I love you" echoes down the canyon
 And we'll lie awake at night 'til they come back around

Please come to L.A., we'll live forever
 The California life alone is just too hard to bear
 We'll live in a house that looks out over the ocean
 And we'll see stars fall from the sky, livin' up on the hill
