

Backstage! - Shot Me Down

Tom: F

F Bb
young love, hearts so blind
Dm
same song played about a million times
F Bb
it all started as a friend in need
Dm C
how did we end up as enemies

it's a fatal love
Bb
a heart attack
Dm
no matter what we do it won't come back
F Bb
it's only 1 second til we run out of time
Dm C
1 life and we're living a lie
F Bb
picking up the pieces and hoping
Dm C
but how do you fix something that started off broken

[Chorus]

Dm Bb
you shot me down
F C
like a bullseye through my heart
Dm Bb
and when i hit the ground
F C
you watched me fall apart
Dm Bb
yeah you shot me down
F C
you're like a bullet right to my brain
Dm Bb
and when i hit the ground
F C
and you watched me fade away
Dm Bb F C
and i was never the same

a cryin shame
