

# Backstreet Boys - Any Other Way

Tom: B

(Abm B Dbm) - 3x Abm

There you go tryin to crash in my dreams again  
when I'm trying to get over you.

I feel (tell) my heart but  
I can't seem to comprehend  
A day without you.

Now you're gone  
Got a life

But I wear the scars  
Reminding me by the hour  
But its time to accept its the way the things are  
I wish I could but...

Can't imagine it any other way  
Girl without you it's only wasted space  
You're gone and I'll always wonder  
Why you can't be any other way,  
any other way.

Since you drained all the color out of the sky  
How am I supposed to feel  
It's like I'm living in somebody else's life

Tell me it's not real..

Can't imagine it any other way  
Girl without you it's only wasted space  
You're gone and I'll always wonder  
Why you can't be any other way,  
Can't imagine it any other way  
Girl without you it's only wasted space  
You're gone and I'll always wonder  
Why you can't be any other way,

Like we never had a falling out  
Like the tears, they never hit the ground  
Like you're still here, you're still here  
Since you drained all the color out of the sky

I cant imagine it any other way  
Girl without you it's only wasted space  
You're gone and I'll always wonder  
Why you can't be any other way,  
Can't imagine it any other way  
Girl without you it's only wasted space  
You're gone and I'll always wonder  
Why you can't be any other way,  
any other way.
