Although <sup>Am</sup>loneliness has always been a friend of mine  
 I'm leaving my life in your hands  
 People say I'm crazy and that I am blind  
 Risking it all in a glance  
 How you got me blind is still a mystery  
 I can't get you out of my head  
 Don't care what is written in your history  
 As long as you're here with me  
 I don't care who you are, where you're from // What you did,  
 as long as you love me  
 Who you are, where you're from, // Don't care what you did  
 as long as you love me  
 Every little thing that you have said and done  
 Feels like it's deep within me, hm\_\_hm, hm  
 Doesn't really matter if you're on the run

<sup>G</sup> It seems like we're meant to be
