Although ^{Am}loneliness has always been a friend of mine
 I'm leaving my life in your hands
 People say I'm crazy and that I am blind
 Risking it all in a glance
 How you got me blind is still a mystery
 I can't get you out of my head
 Don't care what is written in your history
 As long as you're here with me
 I don't care who you are, where you're from // What you did,
 as long as you love me
 Who you are, where you're from, // Don't care what you did
 as long as you love me
 Every little thing that you have said and done
 Feels like it's deep within me, hm__hm, hm
 Doesn't really matter if you're on the run

^G It seems like we're meant to be
^F I don't care who you are, where you're from
^{Am} What you did, as long as you love me (I don't know!)
^F Who you are, where you're from,
^F Don't care what you did as long as you love me, yeah__ah_ah
