

Backstreet Boys - Crawling Back To You

Tom: E
Intro: E Dbm A Gbm

Everybody knows
that I was such a fool
to ever let go of you
But baby I was wrong
And yeah I know I said
We'd be better off alone
It was time that we moved on
I know I broke your heart
I didn't mean to break your heart

(Refrão)

But baby, here I am
Banging on your front door
My pride's spilled on the floor
My hands and knees are bruised
And I'm crawling back to you
Begging for a second chance
Are you gonna let me in?
I was running from the truth
And now I'm crawling back to you

I know you're in there
And you can make me wait
But I'm not going away
It's the least that I can do
Is to tell you face to face
I was lying to myself
Now I'm dying in this hell
Girl, I know you're mad
I can't blame you for being mad

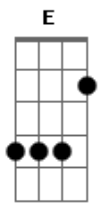

(Refrão)

If you could see
these tears I'm crying
Touch these hands
that can't stop shaking
Heal my heart
that's heavily bleeding
You would see a different man

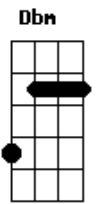

(Refrão)

Banging on your front door
my pride's spilled on the floor
I was running from the truth
and now I'm crawling back to you
