Opposites attract, chemicals react.

I can't help the way I feel. (Cause you got me, yeah)  
F Eb  
All these elements are real.  
They come from deep within me.  
G Bb F  
I would move heaven and earth for this fire.  
Eb G  
For this ocean I fight for you.  
Bb F  
Let this emotional wind take us higher.  
Eb G  
Where there's nothin we can do.

I love you, I love you.

We don't have no walls.

Is waiting in your eyes.

Breathing on my skin.

Let me take it in.
