Tom: C

C G Am F  
Open up your heart to me  
C G Am F  
And say what's on your mind  
E C G F  
I know that we have been through so much  
E C G F G  
But I still need you in my life this time...

C G  
I need you tonight  
Am F  
I need you right now  
C G  
I know deep within my heart  
Am G F  
It doesn't matter if it's wrong or right

C G Am F  
Coz I need you tonight  
C G Am F  
I figured out what to say to you  
C G Am F  
Sometimes the words come out so wrong  
E C G F  
I know in time that you will understand  
E C G F  
That what we had is so right This time  
C G  
And I need you tonight  
Am F  
I need you right now  
C G  
I know deep within my heart  
Am G F  
It doesn't matter if it's wrong or right
