Tom: C

C G Am F  
 Open up your heart to me  
 C G Am F  
 And say what's on your mind  
 E C G F  
 I know that we have been through so much  
 E C G F G  
 But I still need you in my life this time...

C G  
 I need you tonight  
 Am F  
 I need you right now  
 C G  
 I know deep within my heart  
 Am G F  
 It doesn't matter if it's wrong or right

C G Am F  
 Coz I need you tonight  
 C G Am F  
 I figured out what to say to you  
 C G Am F  
 Sometimes the words come out so wrong  
 E C G F  
 I know in time that you will understand  
 E C G F  
 That what we had is so right This time  
 C G  
 And I need you tonight  
 Am F  
 I need you right now  
 C G  
 I know deep within my heart  
 Am G F  
 It doesn't matter if it's wrong or right
