

# Backstreet Boys - Just Want To Know

Tom: C

D  
Looking at your picture from when we first met  
A  
You gave me a smile that I could never forget  
Em  
G  
And nothing I could do could protect me from you that night  
D  
Wrapped around your finger, always on my mind  
A  
The days would blend 'cause we stayed up all night  
Em  
A  
Yeah, you and I were everything, everything to me

A  
I just want you to know that I've been fighting to let you go  
Em

G  
Some days I make it through and then there's nights that never  
A  
end

A  
I wish that I could believe that there's a day you'll come  
back  
to me

A  
But still I have to say I would do it all again  
D

Just want you to know

All the doors are closing I'm tryin' to move ahead

A  
And deep inside I wish it's me instead  
Em

G  
My dreams are empty from the day, the day you slipped away  
A  
D

A  
I just want you to know that I've been fighting to let you go  
Em

G  
Some days I make it through and then there's nights that never

I wish that I could believe that there's a day you'll come

back

to me  
Em

G A  
That since I lost you, I lost myself

Em  
D  
G A  
No I can't fake it, there's no one else  
D  
I just want you to know

That I've been fighting to let you go  
Em  
A  
G  
Some days I make it through and then there's nights that never  
A  
end

I wish that I could believe that there's a day you'll come  
back  
to me

But still I have to say I would do it all again
