

# Backstreet Boys - Just Want To Know

Tom: C

**D**  
Looking at your picture from when we first met  
**A**  
You gave me a smile that I could never forget  
**Em**  
**G**  
And nothing I could do could protect me from you that night  
**D**  
Wrapped around your finger, always on my mind  
**A**  
The days would blend 'cause we stayed up all night  
**Em**  
**A**  
Yeah, you and I were everything, everything to me

**A**  
I just want you to know that I've been fighting to let you go  
**Em**  
**G**  
Some days I make it through and then there's nights that never  
**A**  
end  
**A**  
I wish that I could believe that there's a day you'll come  
back  
to me

**A**  
But still I have to say I would do it all again  
**D**  
Just want you to know

All the doors are closing I'm tryin' to move ahead  
**A**  
And deep inside I wish it's me instead  
**Em**  
**G**  
My dreams are empty from the day, the day you slipped away  
**A**  
I just want you to know that I've been fighting to let you go  
**Em**

**G**  
Some days I make it through and then there's nights that never  
**A**  
end  
**A**  
I wish that I could believe that there's a day you'll come

back  
to me  
**Em**  
**G**  
**A**  
But still I have to say I would do it all again  
Just want you to know  
**Em**  
That since I lost you, I lost myself  
**Em**  
**G A**  
No I can't fake it, there's no one else  
**D**  
I just want you to know  
**A**  
That I've been fighting to let you go  
**Em**  
**G**  
Some days I make it through and then there's nights that never  
**A**  
end  
**A**  
I wish that I could believe that there's a day you'll come  
back  
to me  
**Em**  
**G**  
**A**  
But still I have to say I would do it all again  
Just want you to know  
**D**  
**A**  
That I've been fighting to let you go  
**Em**  
**G**  
Some days I make it through and then there's nights that never  
**A**  
end  
**A**  
I wish that I could believe that there's a day you'll come  
back  
to me  
**Em**  
**G**  
**A**  
But still I have to say I would do it all again  
Just want you to know
