

Backstreet Boys - Just Want You To Know

Tom: D

D
Looking at your picture from when we first met
A
You gave me a smile that I could never forget
Em
G
And nothing I could do could protect me from you that night
D
Wrapped around your finger, always on my mind
A
The days would blend 'cause we stayed up all night
Em **G**
A
Yeah, you and I were everything, everything to me

A
I just want you to know that I've been fighting to let you go
Em

G
Some days I make it through and then there's nights that never
A
end

A
I wish that I could believe that there's a day you'll come
back
to me
Em **G**

A
But still I have to say I would do it all again
D
Just want you to know

All the doors are closing I'm tryin' to move ahead
A
And deep inside I wish it's me instead
Em

G **A**
My dreams are empty from the day, the day you slipped away
D

A
I just want you to know that I've been fighting to let you go
Em

G
Some days I make it through and then there's nights that never
A
end

D

A
I wish that I could believe that there's a day you'll come
back

to me
Em **G**

A
But still I have to say I would do it all again

Just want you to know
Em **D** **G A**

That since I lost you, I lost myself
Em **D**
G A

No I can't fake it, there's no one else
D
I just want you to know

That I've been fighting to let you go
Em **A**

G
Some days I make it through and then there's nights that never
A
end

D
A
I wish that I could believe that there's a day you'll come
back
to me
Em **G**

A
But still I have to say I would do it all again
D

Just want you to know
A

That I've been fighting to let you go
Em

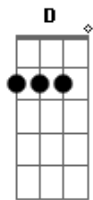

G
Some days I make it through and then there's nights that never
A
end

D
A
I wish that I could believe that there's a day you'll come
back
to me

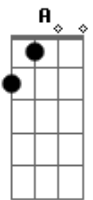

Em **G** **A**
But still I have to say I would do it all again
D

Just want you to know
