

Backstreet Boys - Just Want You To Know

Tom: D

D
Looking at your picture from when we first met
A
You gave me a smile that I could never forget
Em
G
And nothing I could do could protect me from you that night
D
Wrapped around your finger, always on my mind
A
The days would blend 'cause we stayed up all night
Em
A
Yeah, you and I were everything, everything to me

A
I just want you to know that I've been fighting to let you go
Em
G
Some days I make it through and then there's nights that never
A
end

A
I wish that I could believe that there's a day you'll come
back
to me
Em
G
A
But still I have to say I would do it all again
D
Just want you to know

All the doors are closing I'm tryin' to move ahead
A
And deep inside I wish it's me instead
Em
G
A
My dreams are empty from the day, the day you slipped away
D
A
I just want you to know that I've been fighting to let you go
Em
G
Some days I make it through and then there's nights that never
A
end

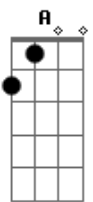

D

A
I wish that I could believe that there's a day you'll come
back
to me

But still I have to say I would do it all again

That since I lost you, I lost myself

I just want you to know

Some days I make it through and then there's nights that never
A
end
D

I wish that I could believe that there's a day you'll come
back
to me

But still I have to say I would do it all again
