

Backstreet Boys - Lift Me Up

Tom: C

When I'm down on my luck and I'm searching for my soul
 When I'm feeling too much and I start to lose control
 When I'm down so low that even enemies don't wanna know
 You still care for me, say a prayer for me, and I know

(pré-refrão)

Oooh, I like you hangin' around
 'Cause you lift me up when I am upside down
 Oooh, you are my favorite sound
 'Cause you're always down for

(refrão)

Lifting me up like an angel when I hit the ground
 Feel your arms all around me when I'm feeling down
 Lift me up like an angel when I hit my low
 When your arms are around me
 I don't wanna let you go

When I'm lost along the way and I can't face another day
 And if I stumble on the road and if I can't carry the load
 And if I lose my faith, and kindness, and generosity
 Would you hold my hand?
 Say you understand my pain

(pré-refrão)

Oooh, I like you hangin' around
 'Cause you lift me up when I am upside down
 Oooh, you are my favorite sound
 'Cause you're always down for

(refrão)

Lift me up

Lifting me up like an angel when I hit the ground
 Feel your arms all around me when I'm feeling down
 Lift me up like an angel when I hit my low
 When your arms are around me
 I don't wanna let you go

It's been a long hard road, and it's only just begun, my friend

And this I know
 You helped me carry the load
 'Cause you're always down for

(refrão)

Lifting me up like an angel when I hit the ground
 Feel your arms all around me when I'm feeling down
 Lift me up like an angel when I hit my low
 Well, you're always around
 You're my favourite sound

Lift me up like an angel when I hit the ground
 Feel your arms all around me when I'm feeling down
 Lift me up like an angel when I hit my low
 When your arms are around me
 I don't wanna let you go

I don't wanna let you go
 'Cause you lift me up now
 Well, you're always around..
 You're my favourite sound
 Lift me up now
 You lift me up
 Lift me up now
 Yeah, you're always around
 You're my favourite sound

Lift me up
