

# Backstreet Boys - Lift Me Up

Tom: C

When I'm down on my luck and I'm searching for my soul  
 When I'm feeling too much and I start to lose control  
 When I'm down so low that even enemies don't wanna know  
 You still care for me, say a prayer for me, and I know

(pré-refrão)

Oooh, I like you hangin' around  
 'Cause you lift me up when I am upside down  
 Oooh, you are my favorite sound  
 'Cause you're always down for

(refrão)

Lifting me up like an angel when I hit the ground  
 Feel your arms all around me when I'm feeling down  
 Lift me up like an angel when I hit my low  
 When your arms are around me  
 I don't wanna let you go

When I'm lost along the way and I can't face another day  
 And if I stumble on the road and if I can't carry the load  
 And if I lose my faith, and kindness, and generosity  
 Would you hold my hand?  
 Say you understand my pain

(pré-refrão)

Oooh, I like you hangin' around  
 'Cause you lift me up when I am upside down  
 Oooh, you are my favorite sound  
 'Cause you're always down for

(refrão)

Lift me up

Lifting me up like an angel when I hit the ground  
 Feel your arms all around me when I'm feeling down  
 Lift me up like an angel when I hit my low  
 When your arms are around me  
 I don't wanna let you go

It's been a long hard road, and it's only just begun, my friend

And this I know  
 You helped me carry the load  
 'Cause you're always down for

(refrão)

Lifting me up like an angel when I hit the ground  
 Feel your arms all around me when I'm feeling down  
 Lift me up like an angel when I hit my low  
 Well, you're always around  
 You're my favourite sound

Lift me up like an angel when I hit the ground  
 Feel your arms all around me when I'm feeling down  
 Lift me up like an angel when I hit my low  
 When your arms are around me  
 I don't wanna let you go

I don't wanna let you go  
 'Cause you lift me up now  
 Well, you're always around..  
 You're my favourite sound  
 Lift me up now  
 You lift me up  
 Lift me up now  
 Yeah, you're always around  
 You're my favourite sound

Lift me up
