

Backstreet Boys - Not For Me

Tom: C

I was looking for something
 On the crime scene where you're in too deep
 I found a note with this number
 It's just another clue (it leads to you)
 I got a little suspicious, I got a feeling
 That you ain't true to me
 I should have known better than to buy your lies(your sweet disguise)
 You can fool anyone but I got eyes to see
 That you're not for me, babe

No no uh uh
 Things will never be the same again with you
 No no uh uh
 Now I know what it's coming to
 No no uh uh
 'Cause if you think that it's the way that love, should be
 Let me tell you it's not for me

I don't want to be on, your screenplay
 Just tell me did you rehearse on me?
 Just gimme the story
 Baby who's to win? Me or him?
 Caught in the middle
 And I'm tired of your games of Hide and Seek
 I'm getting the feeling that it's time for me to leave

You can fool anyone but I got eyes to see
 That you're not for me, baby

No no uh uh (yeah yeah)

Things will never be the same again with you
 No no uh uh (Oh)
 Now I know what it's coming to
 No no uh uh (yeah-eah)
 'Cause if you think that it's the way that love, should be
 Let me tell you it's not for me

Yeah, yeah
 I said no, no
 No way
 No no, no no
 No

I had enough of your talk, your games
 And it won't go away (won't go away)
 Justify my reasons to stay (stay, reasons to stay)

No no uh uh
 Let me hear you say No no
 No no uh uh
 No no, let me tell you it's not for me
 No no uh uh
 'Cause if you think that it's the way that love should be
 Well let me tell you it's not for me

No no uh uh (whoa)
 Things will never be the same again with you
 No no uh uh (baby)
 Now I know what it's coming to
 No no uh uh (yeah-eah)
 'Cause if you think that it's the way that love, should be

Well me tell you it's not for me
