

Backstreet Boys - Satellite

Tom: D
 Intro: D A G
 D A G
 D G D G

D A
 Here I am again
 G
 Waiting on the moment you decide

A G
 To leave me stranded on the edge of nowhere
 D A G
 I've been so close to you so many times

D
 I feel like I could drown
 A G
 I wish that I could fly away from here

Bm G
 But I'm still coming down
 A
 From the last time
 Bm G
 That you came around
 A
 In the starlight
 Bm G A
 Now I'm pulling to your gravity

Spinning helplessly
 Em A
 I'm falling through the night
 Em D G
 Like a lonely satellite
 D G
 Like a lonely satellite

D A
 We walked on Jupiter
 G
 Fool around the moon a time or two
 A G
 Left a mark on every star we could find
 D A G
 But now I'm burning like a meteor
 D
 That never hits the ground
 A G
 Wish that I could fly away from you

Bm G
 But I'm still coming down
 A
 From the last time
 Bm G
 That you came around
 A
 In the starlight
 Bm G A
 Now I'm pulling to your gravity
 Spinning helplessly
 Em A
 I'm falling through the night
 Em Bm
 Like a lonely satellite

A
 Love is poisoning the atmosphere
 G Bm
 Is keeping everything unclear to me
 D
 Something in your eyes
 A
 Never satisfies
 G D A G D A G
 I'm feeling so alone, tonight

Bm G
 But I'm still coming down (still coming down)
 A
 From the last time (the last time)
 Bm G
 That you came around (you came around)
 A
 In the starlight (the starlight)
 Bm G A
 Now I'm pulling to your gravity (ooooh)
 Spinning helplessly
 G A
 I'm falling through the night (falling through the night)
 G A
 Yes I'm falling through the night (falling through the night)
 Em D G
 Like a lonely satellite
 D G
 Like a lonely satellite
