

Backstreet Boys - Satellite

Tom: D
Intro: D A G
D A G
D G D G

D A
Here I am again
G D
Waiting on the moment you decide
A G
To leave me stranded on the edge of nowhere
D A G
I've been so close to you so many times
D
I feel like I could drown
A G
I wish that I could fly away from here

But I'm still coming down Bm G
A
From the last time
Bm G
That you came around
A
In the starlight
Bm G A
Now I'm pulling to your gravity

Spinning helplessly
Em A
I'm falling through the night
Em D G
Like a lonely satellite
D G
Like a lonely satellite

D A
We walked on Jupiter
G D
Fool around the moon a time or two
A G
Left a mark on every star we could find
D A G
But now I'm burning like a meteor
D
That never hits the ground
A G
Wish that I could fly away from you

But I'm still coming down Bm G
A
From the last time
Bm G
That you came around
A
In the starlight
Bm G A
Now I'm pulling to your gravity
Spinning helplessly
Em A
I'm falling through the night
Em Bm
Like a lonely satellite

Love is poisoning the atmosphere A
G Bm
Is keeping everything unclear to me
D
Something in your eyes
A
Never satisfies
G D A G D A G
I'm feeling so alone, tonight

But I'm still coming down (still coming down) Bm G
A
From the last time (the last time)
Bm G
That you came around (you came around)
A
In the starlight (the starlight)
Bm G A
Now I'm pulling to your gravity (ooooh)
Spinning helplessly
G A
I'm falling through the night (falling through the night)
G A
Yes I'm falling through the night (falling through the night)
Em D G
Like a lonely satellite
