

# Backstreet Boys - Satellite

Tom: D  
Intro: D A G  
D A G  
D G D G

D A  
Here I am again  
G D  
Waiting on the moment you decide  
A G  
To leave me stranded on the edge of nowhere  
D A G  
I've been so close to you so many times  
D  
I feel like I could drown  
A G  
I wish that I could fly away from here

Bm G  
But I'm still coming down  
A  
From the last time  
Bm G  
That you came around  
A  
In the starlight  
Bm G A  
Now I'm pulling to your gravity

Spinning helplessly  
Em A  
I'm falling through the night  
Em D G  
Like a lonely satellite  
D G  
Like a lonely satellite

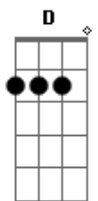

D A  
We walked on Jupiter  
G D  
Fool around the moon a time or two  
A G  
Left a mark on every star we could find  
D A G  
But now I'm burning like a meteor  
D  
That never hits the ground  
A G  
Wish that I could fly away from you

Bm G  
But I'm still coming down  
A  
From the last time  
Bm G  
That you came around  
A  
In the starlight  
Bm G A  
Now I'm pulling to your gravity  
Spinning helplessly  
Em A  
I'm falling through the night  
Em Bm  
Like a lonely satellite

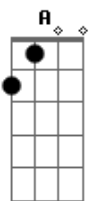

A  
Love is poisoning the atmosphere  
G Bm  
Is keeping everything unclear to me  
D  
Something in your eyes  
A  
Never satisfies  
G D A G D A G  
I'm feeling so alone, tonight

Bm G  
But I'm still coming down (still coming down)  
A  
From the last time (the last time)  
Bm G  
That you came around (you came around)  
A  
In the starlight (the starlight)  
Bm G A  
Now I'm pulling to your gravity (ooooh)  
Spinning helplessly  
G A  
I'm falling through the night (falling through the night)  
G A  
Yes I'm falling through the night (falling through the night)  
Em D G  
Like a lonely satellite  
D G  
Like a lonely satellite
