

# Backstreet Boys - Satellite

Tom: D  
 Intro: D A G  
           D A G  
           D G D G

D A  
 Here I am again  
 G  
 Waiting on the moment you decide

A G  
 To leave me stranded on the edge of nowhere  
 D A G  
 I've been so close to you so many times

D  
 I feel like I could drown  
 A G  
 I wish that I could fly away from here

Bm G  
 But I'm still coming down  
 A  
 From the last time  
 Bm G  
 That you came around  
 A  
 In the starlight  
 Bm G A  
 Now I'm pulling to your gravity

Spinning helplessly  
 Em A  
 I'm falling through the night  
 Em D G  
 Like a lonely satellite  
 D G  
 Like a lonely satellite

D A  
 We walked on Jupiter  
 G  
 Fool around the moon a time or two  
 A G  
 Left a mark on every star we could find  
 D A G  
 But now I'm burning like a meteor  
 D  
 That never hits the ground  
 A G  
 Wish that I could fly away from you

Bm G  
 But I'm still coming down  
 A  
 From the last time  
 Bm G  
 That you came around  
 A  
 In the starlight  
 Bm G A  
 Now I'm pulling to your gravity  
 Spinning helplessly  
 Em A  
 I'm falling through the night  
 Em Bm  
 Like a lonely satellite

A  
 Love is poisoning the atmosphere  
 G Bm  
 Is keeping everything unclear to me  
 D  
 Something in your eyes  
 A  
 Never satisfies  
 G D A G D A G  
 I'm feeling so alone, tonight

Bm G  
 But I'm still coming down (still coming down)  
 A  
 From the last time (the last time)  
 Bm G  
 That you came around (you came around)  
 A  
 In the starlight (the starlight)  
 Bm G A  
 Now I'm pulling to your gravity (ooooh)  
 Spinning helplessly  
 G A  
 I'm falling through the night (falling through the night)  
 G A  
 Yes I'm falling through the night (falling through the night)  
 Em D G  
 Like a lonely satellite  
 D G  
 Like a lonely satellite

## Acordes
