Em  
Dum, dah, la la la  
F  
Dum, dah, la la la  
Dum, dah, la la la  
G  
As a gase al the hour glass Em days go and all I do is  
F  
Think of you and wonder where you are at night  
G  
I remember everything, Em every smile and even all the  
F  
Reasons why you say I've pushed you out of my mind  
G Em F  
Baby you set me (aaa...), baby you set me (dum, dah, la la la)  
G  
Set adrift on memory bliss of you (aaa...)  
Baby you set me, set adrift on memory bliss  
G  
Destiny is everything  
Em F  
Reality replace you with the biggest empty void I've ever  
had in life  
G Em  
I bet you say that I don't care, I bet you say that I don't  
even  
F Bm  
Think of you but God knows how wrong you are  
D Em  
Baby will you be there (baby will you be there)  
F

Bm

Just give me time (just give me time) to face my life (to face  
my life)  
D Em  
Baby will you be there when I open my eyes  
F  
After all the time I spent wishing you  
G Em F  
Baby you set me (aaa...), baby you set me (dum, dah, la la la)  
Set adrift on memory bliss of you (aaa...)  
G Em F  
Baby you set me (baby you set me), set adrift on memory  
bliss of you  
G Em  
Sadness has overwhelmed me, my mind flies, I cannot  
sleep  
F  
I imagine that you're happy with your life right now, oh  
G Em  
I guess that's just the way it goes, forever's gone  
F  
So now I must place you with all the things that I could never  
have  
G Em F  
Baby you set me (aaa...), baby you set me (dum, dah, la la  
la) baby you set me  
G  
Set adrift on memory bliss  
Em  
Set me  
F  
Set me  
Come on now  
Em F  
I know this love is true  
I know this love is true
