Verse 1:

Here we are in the arms of one another

And we still go on searching for each other

Knowing that hate is wrong and love is right for us tonight

When I look into your Spanish eyes

I know the reason why I am alive

And the world is so beautiful tonight

Chorus:

It's a place I've never been

And it comes from deep within

And it's telling me that I'm about to win first prize

Knowing all I have to do

Is reach out my hand to you

Anytime I want to look into your Spanish eyes

Verse 2:

Let it be if we're nothing more than dreamers

Who believe that we see no wall between us

**D** **D** **A** **A**

How can they be in my heart and in my mind when all I could

find

When I look into your Spanish eyes

I know the reason why I am alive

And the world is so beautiful tonight

Chorus:

It's a place I've never been

And it comes from deep within  
And it's telling me that I'm about to win first prize

Knowing all I have to do

Is reach out my hand to you

Anytime I want to look into your Spanish eyes
