I'm sorry, listen I'm gonna be late tonight.  
So don't stay up and wait for me, ok?

Where are you?  
Wait...say that again?

Hello?  
You're really dropping out.  
I think my battery must be low

Listen if you can hear me, we're going to a place nearby,  
alright?  
Gotta go

Let me tell you the story about the call that changed my  
destiny

Me and my boys went out, just to end up in misery

I was about to go home and there she was standing in front of  
me

I said hi, I got a little place nearby

Wanna go, I should have said no

Someone's waiting for me but I'm gonna go up and see

Listen Baby I'm sorry

Just wanna tell you don't worry

I will be late don't stay up and wait for me

I'll say again you're dropping out my ba - ttery it's low

So you know we're going to a place nearby, gotta go

Now till it's done nothing's been won

I can't take it back what's done is done

One of her friends found out that she wasn't the only one

And it eats me from inside, that she's not by my side

Just because I made that call and lied

Listen Baby I'm sorry

Just wanna tell you don't worry

I will be late don't stay up and wait for me

I'll say again you're dropping out my ba - ttery it's low

So you know we're going to a place nearby, gotta go

Listen baby I'm sorry...hello?

Listen baby I'm sorry...hello?
