

# Backstreet Boys - Unsuspecting Sunday Afternoon

Tom: C

Am F Em  
How come I was the last to know ?

Took the stage, then you stole the show  
Another unsuspecting sunday afternoon  
I was capture by that stare  
Now I'm shattered, but I don't care  
And the people walking by don't have a clue

F C  
That I kissed your face  
Till the sun was in our eyes  
Till the afternoon arrived  
And I can't explain  
Am G F E  
Last night I saw the fireworks  
Am G F E  
The kind of pain that never hurts

The one you hate to love is made for you

Still waiting for the phone to ring  
Will my imagination take it slow, oh yeah  
After saturday, my life is changed
