

Bad Books - Lake House

Tom: C

All the lake houses were moving ^G C
 They were spinning around in the lake ^G
 They were shark-infested waters ^C
 They were dangerous places to play ^G
 You approached me like a brother ^C
 Told me "All that you see isn't true" ^G
 A shark pops out of the water ^C
 A crucifix carved in his tooth ^G
 There was one song left, repeated ^C
 As I drifted off, grazing your leg ^G
 It was tough to tell your motive ^C
 You were stuck between no and a yes ^D
 When I woke, I saw your anchor ^G ^C
 Pierce through the top of my spine ^G
 That I pushed too far to recover ^C

As I'm living on borrowing time ^D
 When you showed up you were glowing ^G ^C
 Taking my last breath away ^G
 On the arm of some opponent ^C
 Gushing at each word he says ^G
 When I asked to speak about it ^C
 You made it real easy for me ^G
 Just because we have a baby ^C
 Doesn't mean that you belong to me ^D
 Oh, and if I ever lose you ^C
 If that horrible day ever comes ^G
 I don't know how I'd recover ^C
 I don't know what race I'd run ^D
 But I know that I'd love you ^C
 The day that we swore on that ring ^G ^C
 The day that we swore on that ring ^G
