Am **G**
I Want you, now and forever

..."That's why did you do it"

E **G**
I miss you, now that you've gone

..."I'm not a type of girl to mess around with"

Am **G**
I just called to say, I really love you
..."You should have thought of that before"

E
And girl I do regret

G
Every single word that I said

Am **F** **G**
The night is so empty without you

E **Am**
And loneliness falling upon my mind

F **G**
I'm trying to touch you in my dreams

E
My heart is crying, baby
