

# Bad Boys Blue - How I Need You

Tom: C

Intro: Am, C, G

**Am** **G**  
I Want you, now and forever

..."That's why did you do it"

**E** **G**  
I miss you, now that you've gone

..."I'm not a type of girl to mess around with"

**Am** **G**  
I just called to say, I really love you  
..."You should have thought of that before"

**E**  
And girl I do regret

**G**  
Every single word that I said

**Am** **F** **G**  
The night is so empty without you

**E** **Am**  
And loneliness falling upon my mind

**F** **G**  
I'm trying to touch you in my dreams

**E**  
My heart is crying, baby

**Am C G** **Am**  
Ooh, how I need you!

... **Am C G**

**Am C G** **Am**  
Ooh, how I need you!  
... **Am C G**

**Am** **G**  
I'm waiting, every nighttime  
..."My nights have been so lonely since you've been gone"

**E** **G**  
I'll kiss you, and hold you tight  
..."I dream about this feeling every night"

**Am** **G**  
What I mean girl, I really changed now  
..."I'd really love to believe you"

**E** **G**  
I swear to you, I do! Girl, I'll never make you blue!

**Am** **F** **G**  
The night is so empty without you

**E** **Am**  
And loneliness falling upon my mind

**F** **G**  
I'm trying to touch you in my dreams

**E**  
My heart is crying, baby

**Am C G** **Am**  
Ooh, how I need you!

... **Am C G**

**Am C G** **Am**  
Ooh, how I need you!
